HBO has taken the creator of languages David J. The first and second rubber of the pilot episode, written by Benioff and Weiss, were presented to the Hbo in August 2007 and in June 2008, respectively. Production The main filming of the first season started on July 26, 2010. For a few days after the emission of the first episode of the second season, "North not forgetting", HBO announced the restructuring of the series for a third, approximately, in the first half Of the novel Storm of Swords. In the north, as a third wire argument, an immense wall guarded by the night guard separates the continent from the territories of the outside, in which a series of extreme events is beginning to happen, increased by the arrival of winter. The series was released on April 17, 2011 in the United States, May 8th in Latin America and one day after Spain through Canal +. Once the king is launched, the capital of the seven kingdoms, Ned will be wrapped in a plot of twisted secrets. Like the first, the second season had ten episodes and previewed the à € . E 5.
